Civil Action No: 04-335E

Judge McLaughlin  
magistrate judge BaxterNotice And AppealNotice of Appeal as To CMJSPB 11/16/05 Ruling and  
Motion appealing 11-16-05 decision

Now Comes Ernesto Santiago and appeals judge Baxter's decision Via Telephone hearing of 11/16/05

Plaintiff Appeals your honor's decision and makes several arguments and relies on the facts of his prior motion and the new facts that plaintiff has been placed in Segregation for filing a complaint against medical staff at McLean. It is evident that plaintiff has numerous complaints in this court but when staff see plaintiff's docket sheets, motions, etc. They only see as follows:

civil case No: 01-CV-391E  
3rd Cir No: 02-4056

John LaManna, Warden of the Federal Correctional  
Institute, McKean

All The more To Label me a "Complain", another "Nwanze", "The prison Lawyer" and engage in ways of Retaliation Towards me. Only This Court and one who Truly Understands The Law and The procedure can See That all four mentioned Cases are distinct But Unique.

CA-No: 01-391E: dealt with a Vacated prior I was enhanced For.

CA-No: 05-29E: dealt with ("good Time", a 54 day a year issue) I was challenging.

CA-No: 05-153E: deals with an Institution policy That's been Taken To an extreme in The Confiscation of Trial, Sentencing and hearing Transcripts, PSI's, J:C's and McKean Determining what you can and can't have.

CA-No: 04-335E: plaintiffs Medical Case and This is The Case That has "Stirred Many Emotions" here at McKean. Has Staff following Suit in Thinking I Truly am a "Complain", when plaintiff has a right To file Complaints on Issues Such as he has.

#3

Plaintiff Wants your honor To Know That The Defendant Contends I alleged I'm being Retaliated against and my evidence is alleged as follows (Para. 1, 2, 3, 4 on page #2) of Mr. Skirtichs Defendants Response in Opposition To Plaintiff's Motion for Reconsideration, but Plaintiff Wants your honor To Know it is more Than This That plaintiff can Show as evidence but the facts or Documentation are Not available and plaintiff Knows and Understands if he has No Written Documents or Proof Than This Court is Less Likely To Take him serious of his allegations.

Plaintiff Would like your honor To Know with No disrespect intended But the Defendant on page #6 of (mentioned response) Speaks of how I filed 36 Remedies But what Defendant forgets To Tell The Court is That 19 out of The 36 Remedies are actually 6 and I Was in general population at This Time, where it is easier To File administrative Remedies. The other 17 Remedies or shall I Say 10 are The ones I have filed Since I have been in Segregation Since 3/10/05. Some of These 36 Remedies or Better Said "16" have either Been accepted or forw- arded for appropriate disposition. The defendant forgets To explain That Some of These 16 Remedy Numbers Triple or even Quadruple in Defendants "Administrative Remedy Generalized Retrieval" as Exhibit #3.

Plaintiff Wants your honor To Know he feels as if Defendant is Trying To Make plaintiff Look as a liar or Maybe he himself is Trying To decieve

#4

The Court in a Very Unprofessional Way.

Plaintiff Would like To just address Several other Issues as The Defendant has relied on To make his determination but plaintiff will Simply Make one Request of your honor as plaintiff will Seek Legal Redress in another LAW Suit.

Plaintiff Wants To address page #9 and page #13 of Defendants Response because he Will definitely Follow up on These Declarations of Both Mr.Flatt and Ms.Tronetti.

Plaintiff Wants This Court To Know That The Declaration of Dennis Flatt is Not accurate and he lied on page #2 where he Said he didn't "refuse my Request To make photocopies of my documents". In plaintiffs Exhibit A (Exhibits are Not enclosed due To Not Seeing anyone To copy Them) I complained Per Inmate Request To Staff That Mr. Flatt Wouldn't Copy my papers as I Needed Them for Court. This Was returned To me on 9/19/05 Signed By M. ReckTendwald. Other Inmate Request To Staff Went unanswered or Never Returned.

Plaintiff also Wants your honor and This Court To Know That ms. Deanna Tronettis Declaration is Not accurate and she also lied on page #2 Numbers 3,4. I'll focus on #4 which is More Important in This Matter. To The Contrary about what Ms. Tronetti Said or BETTER yet "Lied" in her Declaration. Myself and Ms.Tronetti had a scheduled appointment in Order for me To Make a Phone Call To Talk To my attorney John Bies.

(Exhibit B) which is the reason Ms. Tronetti was in the SHU on this day. Assuming Arguendo Ms. Tronetti was in the SHU making her rounds or fulfilling part of her Unit Manager responsibilities, what was I plaintiff doing in the Recreational Room with  $\approx 2\frac{1}{2}$  pounds of Legal Mail. (See Exhibit C) Inmates are not allowed to go to Recreation with anything except proper attire.

Plaintiff understands he cannot just file different types of motions as he has filed a FTCA Complaint in this matter and was lectured about this by Magistrate Judge Baxter.

Plaintiff is pro-Se and ask to be excused for his unintentional acts. Plaintiff does however want your honor and this Court to know that what I am complaining about is true, "I am being retaliated against by staff."

Plaintiff simply ask this Court your honor to issue a (Preliminary Injunction, TRO or some type of order) to assure that plaintiff is better guarded by those staff who follow directives from higher authority and to stop the different types of retaliations that keep occurring.

Respectfully Submitted,  
Pro-Se, Ernesto Santiago
